About CMS

The Canadian Mathematical Society (CMS) is a non-profit organization. The goal of the Canadian Mathematical Society is to promote and advance the discovery, learning and application of mathematics. The CMS organizes two Mathematics conferences per year one in June and the other in December, as well as a Mathematics Education Forum and joint meetings with the Societies of other countries every 2-3 years.

About CMS Meetings

Meetings of the Canadian Mathematical Society are hosted by a local university and bring together some of the most internationally respected researchers and mathematicians.

The program for the 2009 CMS Winter Meeting will include 18 scientific sessions and 10 plenary, prize and public lectures. The conference provides an excellent opportunity to present mathematically oriented products and services and for networking with the mathematical community.

The decorator will be determine shortly and an Exhibitor Service Kit will be distributed via email as soon as it becomes available.

Exhibitors may, of course, handle their own material if they so choose. These arrangements must be made in advance of move-in. Exhibitors who do NOT use the services of the official decorator must be prepared to supply their own labour, dollies, etc. for set-up and dismantling.

Please DO NOT send materials to the CMS Executive Office or the university. We will not take responsibility for shipping them to the exhibit site.

International Shipping

Livingston Event Logistics has been appointed as official customs broker for this event. For all customs and shipping needs, we recommend that you deal directly with Livingston. They will advise on how best to ship goods and will assist exhibitors in the completion of customs documents. Their Canada Bound Customs and Shipping Guide, containing all necessary customs forms and examples for their completion, is available from Livingston or you may also download their forms from their website: www.mend.com or go directly to www.mend.com/html/download.html.

For customs related inquiries please contact Maria Bava (Tel 416-863-9339 ext. 234, Fax 416-863-5149, mbava@livingstonintl.com). Please notify Livingston in advance if you are bringing commercial goods with you on the plane or driving your own vehicle into Canada. This will permit Livingston to supply you with the appropriate customs forms and advise their border offices of your crossing.

Arrangements should be made at least 20 days prior to the deadline date. The cost for this service is not included in the decorator Material Handling fees.

Return Shipment - Domestic and International

Each box of the return shipment has to be marked with the return shipping address and the number of boxes or crates being shipped and the correctly filled out Bill of Landing has to be taped to one of the boxes.

The hotel will store the freight until the carrier of your choice can pick it up no later than one week after the show ends. It is up to the exhibitor to make pick up arrangements with the carrier.
